

What About That Dandruff?

There is just this much about it: Dandruff is a germ disease, is most untidy, annoying, and leads to baldness. When chronic, it is very stubborn, but surely yields to thorough and energetic treatment. All germs must be destroyed, the scalp must be restored to health. Here is the remedy: Ayer's Hair Vigor. Ask your doctor about using it.

Amateur Affiliation A Benefit To Hawaii

A well-known local sportsman, speaking of the formation of the local branch of the A. A. U. this morning, said:

"Affiliation with the A. A. U. is the best thing that could possibly happen to athletics in Hawaii. Young athletes are continually going from here to the mainland to take part in certain branches of sport but, until recently, they had no athletic standing as residents of Hawaii. Many of them have made and are making notable records in the big Eastern colleges in different branches of athletics.

"They have also made brilliant records in the Territory, which have counted for nothing for the reason that there is no official record of their achievements and no standing can be given them.

"Records have been made at local athletic meets which compared favorably with records made on the mainland, yet by reason of the Territory not being on the athletic map, athletes

here could not gain recognition of such records outside of their own community and could not compete except among themselves. There was no encouragement for amateur athletics in the Territory, and no incentive to persuade a man to desist from becoming a professional.

"As things are today, thanks to affiliation with the A. A. U. and the registration of local athletes with that body, an athlete living here who performs meritoriously has his record registered with those of the best athletes in the world, and may compete wherever a meeting is held under A. A. U. auspices.

"The territory of Hawaii can also send a field and track team to the regular A. A. U. meets on the mainland, and will sooner or later do so, and it will be a team which will compete with credit to themselves and possibly threaten some of the official records established by the amateur champions of the United States."

LABOR-DAY POLO TOURNAMENT

Everything is in readiness for the great game on Saturday between the polo teams of the Oahu Polo Club and Fifth Cavalry.

It has been decided that one referee will be enough to decide the fine points of the game, and George Angus will again act in that capacity. He did excellent work in last week's game, and the clubs engaged in the tournament are fortunate in being able to avail themselves of his services.

The soldier players will in Saturday's game use the ponies which they recently obtained from Kauai and the performance of the new mounts will be watched with interest.

There is some talk of a grand wind-up of the season on Labor Day, two games and a gymkhana being spoken of as the program.

The idea is a good one, for the ponies will all be in training and on the

spot, and the fact that the day is a holiday should insure a good attendance at the Moanalua field.

If the proposition goes through there will probably be a full game between teams picked from the three clubs competing in the tournament. If the best ponies are used the most brilliant exhibition of polo ever witnessed in Hawaii should result.

Another feature may be a two-period game between teams selected from the experts who view the games from the side-lines, but who have never played the game themselves. The clubs would probably mount them and the spectacle of their playing while the tournament players took places by the sideboards and yelled "four" would certainly be worth going miles to witness.

A series of gymkhana sports would top off a most interesting and sporting afternoon.

SCORES IN RECENT RIFLE CONTEST

The scores of the Paramatta (N. S. W.) Club in the rifle shooting match against Hawaii, came to hand by the last mail.

It will be recalled that Paramatta scored 996 points and Hawaii 927. E. B. Blanchard has asked for a return match with Paramatta and hopes that the local boys will be the winners.

The complete scores of both sides are as follows:

THE SATURDAY BASEBALL PLANS

The matter of Saturday baseball is still being discussed in a desultory way, but there is a probability that the project will take definite form after the conclusion of the polo tournament.

The post team at Leilehua is keen to join a Saturday league, so are the Punahou and the All-Chinese.

The Saint Louis nine would undoubtedly be a great drawing card, but it is hardly likely that the management of the Oahu League would consent to the league players taking part in Saturday games until after the close of the league season, and this would affect almost every member of the St. Louis nine.

It is probable that a meeting of those interested in Saturday baseball will be called in a couple of weeks and a Saturday afternoon league formed.

Should the Saints be unable to enter such a league their place would be taken by another nine, probably the Kamehamehas.

SPORTDRIFT

Local horsemen are greatly interested in the program of Hilo New Year's races published in these columns recently.

If the harness race at Hilo is made with a "hopples" condition a Honolulu racer may be entered.

The Japanese race-track scheme will go right ahead just as soon as a price for the land has been named by the Dillinghams.

Ab Toon, Alex Asam, Ah Lee, L. Tin, Kan Yen, Sing Hung, V. Ayau, Ching

Back, and Tin Yen will be among those who will go on the baseball expedition to Maui tomorrow. They plan to be gone two weeks.

The relay race may be postponed the Labor Day.

Long distance runner Zink may be sidetracked in the relay and King run six miles and Jackson four miles.

Jackson and King will practice at the athletic park this afternoon about five o'clock.

A mile or two-mile open walk wouldn't be a bad preliminary to the relay race.

The All-Chinese baseball nine will leave for Maui by the steamer Claudine tomorrow. Games will be played at Kahului and Wailuku.

It is hoped that there will be a bigger attendance at the league games next Sunday. Last Sunday's crowd was anything but satisfactory.

The first game at the athletic park on Sunday will be the J. A. C. vs. the Portuguese Athletic Club. The Hawaiians and Stars will play the second game.

Summer will catch for the Stars next Sunday.
